

<b>Brookhaven National Laboratory National Synchrotron Light Source</b>	<b>Electrical PPE Toolbox 2006 (PPE Update)</b>
NSLS course: LS-ELECT-PPE-2006	Rev. 07-26-2006

For NSLS staff and guests who operate electrical switches or breakers or perform electrical lockout/tagout (LOTO) at the authorized level, the NSLS Electrical PPE Toolbox 2006 provides an update to the PPE requirements and a review of the changes to ESH 1.5.0 Electrical Personal Protection Equipment (PPE).

**Procedure:**

1. Read the Electrical PPE Toolbox 2006 presentation at:  
<http://www.nsls.bnl.gov/training/Courses/Electric-LOTO/LS-ELECT-PPE-2006-Read.pdf>
2. Print, fill out, and sign this form. Forward the completed form to the NSLS Training Coordinator.

I certify that I have read and understand the NSLS Electrical PPE Toolbox 2006 presentation containing a review of the changes to ESH 1.5.0 Electrical Personal Protection Equipment (PPE).
